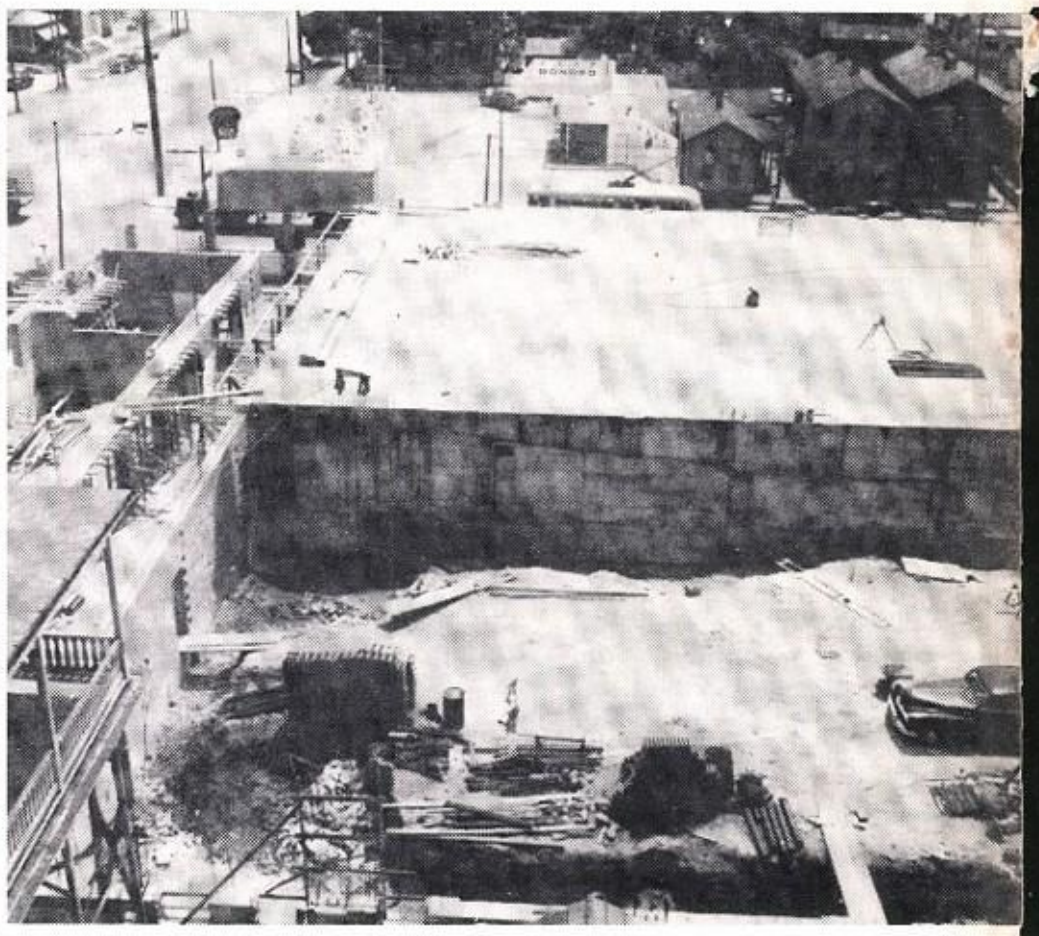
Our Theme...

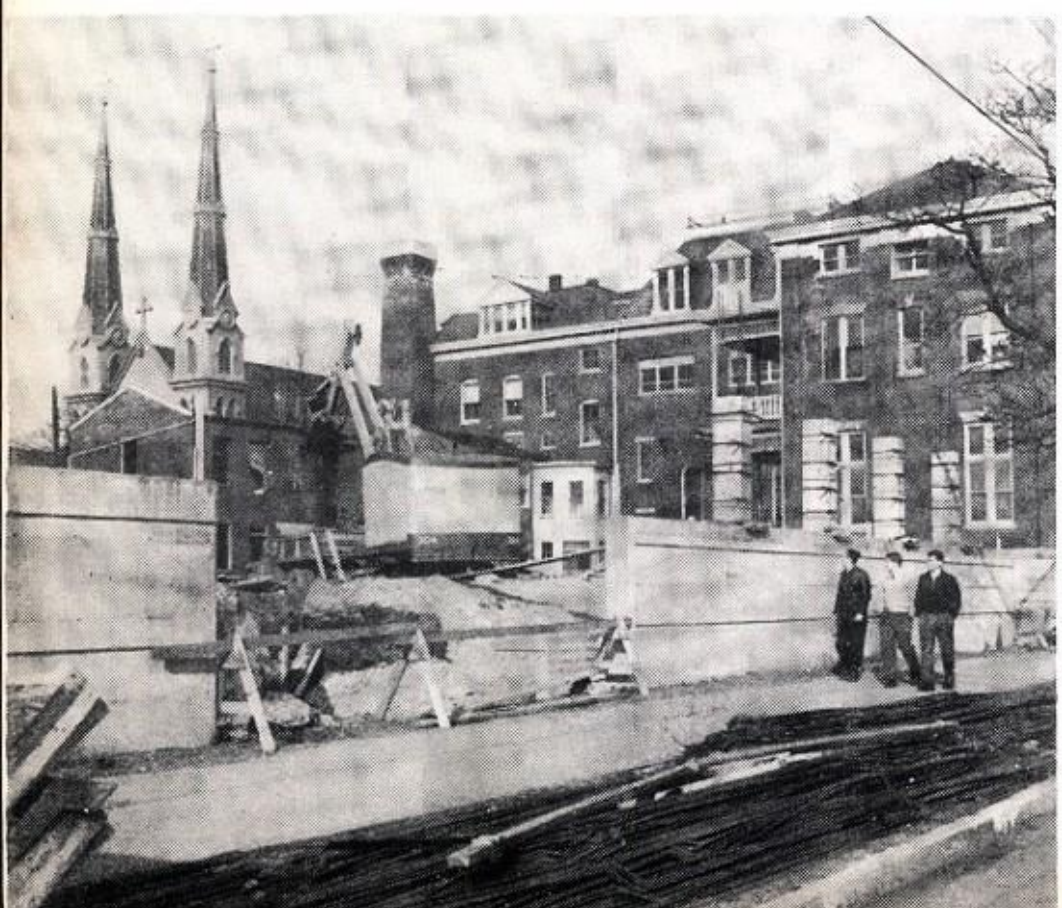
For years the hope of a new Chaminade spurred on the faculty, students, and friends to wipe out the debt on the school, so that a new addition could be started. Finally, under the guidance of Bro. Matthew, work was at last begun.

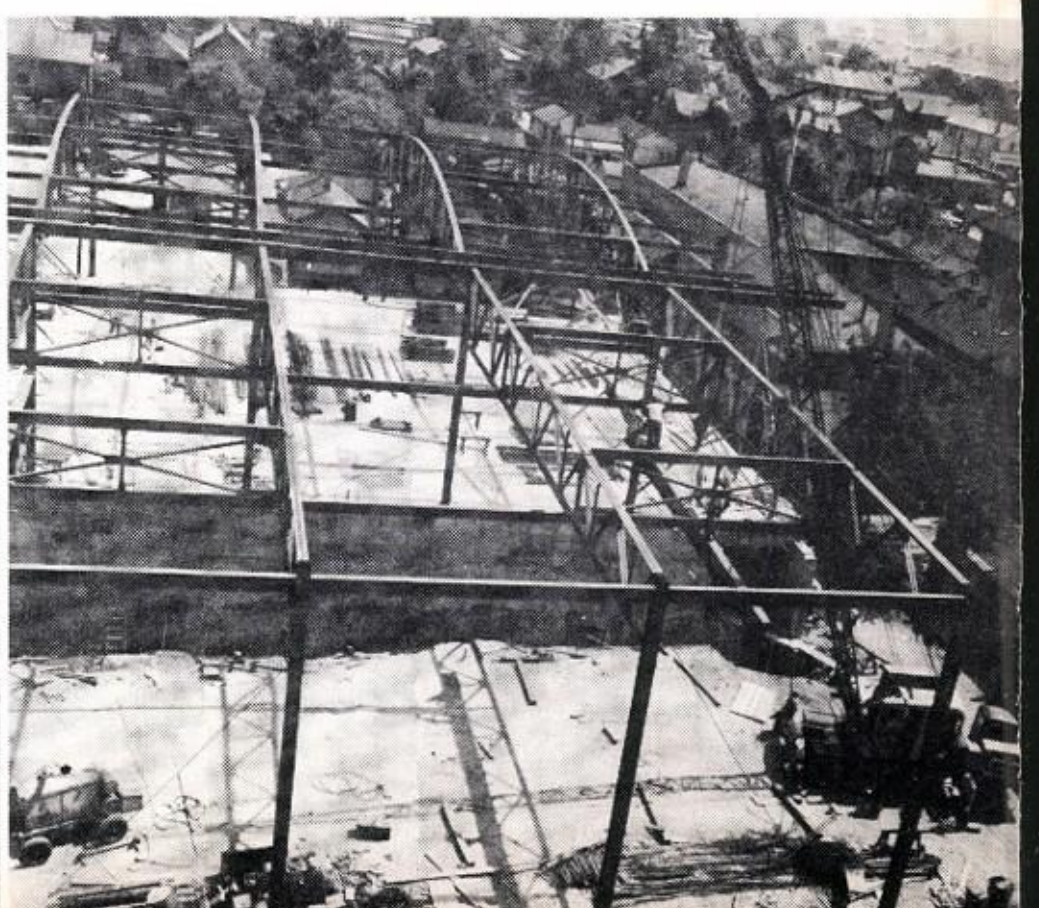
Father Connaughton, Mayor Lohrey, and Bro. Matthew highlighted the long-awaited groundbreaking ceremonies with their words of inspiration and encouragement. That sunny day in October will long remind us of the courageous step the school took when Bro. Matthew removed the first spadeful.

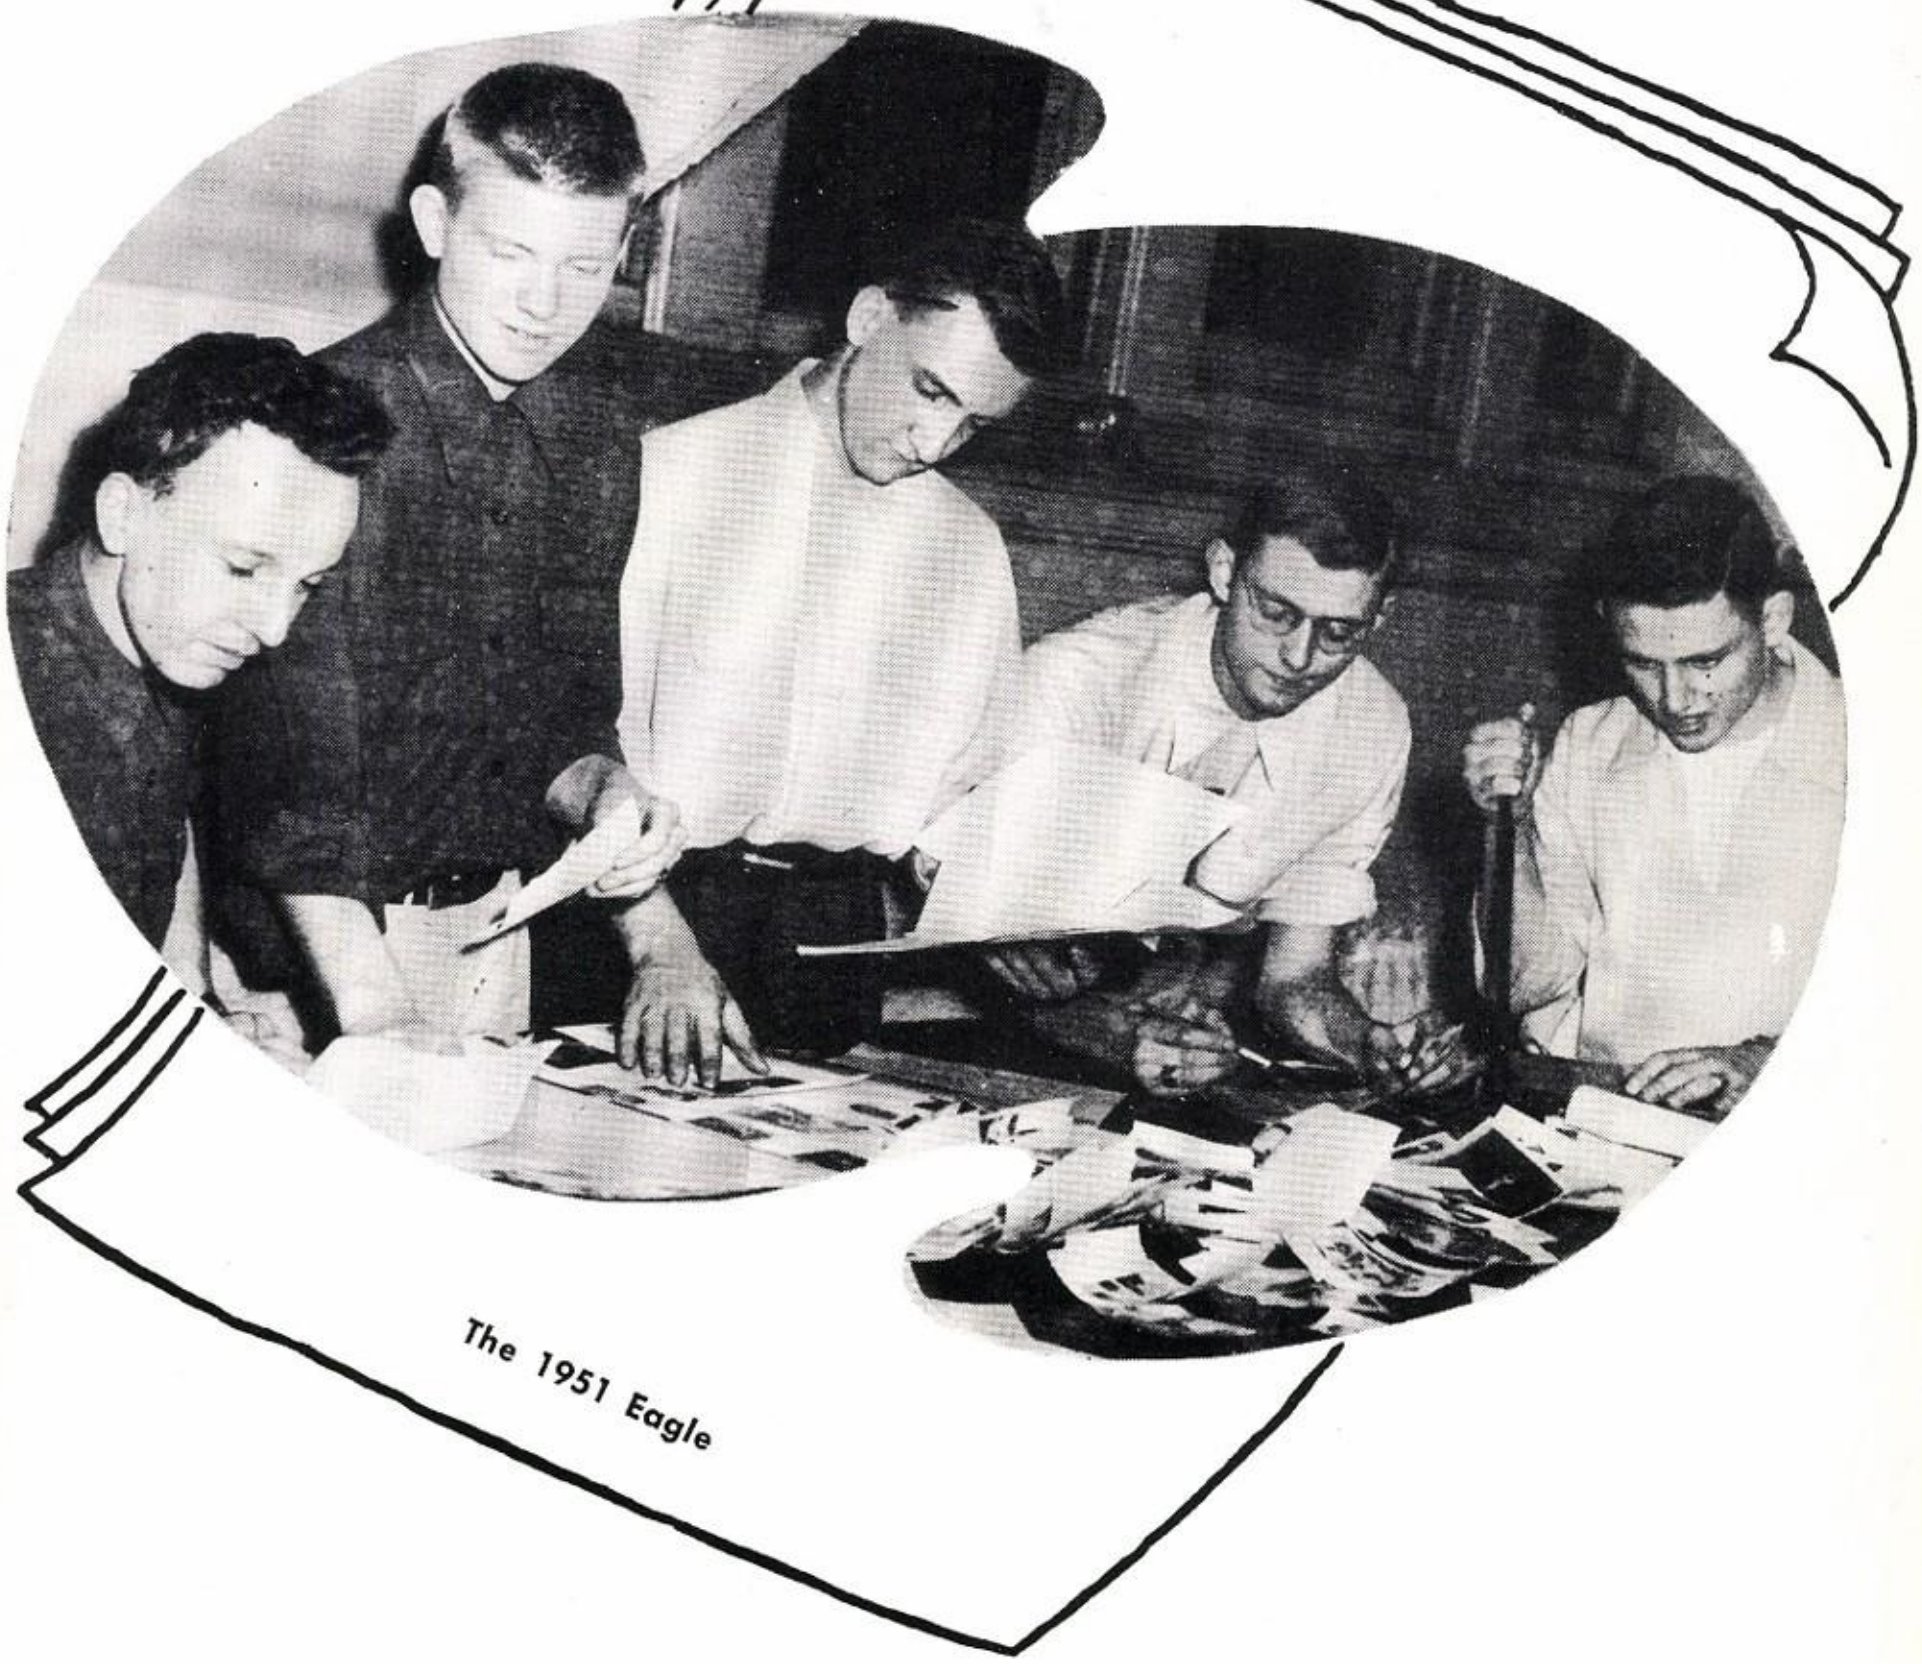
As the annual goes to press, foundations have been completed, muct first floor work is already finished, and the auditorium and gymnasium are beginning to take shape. The cafeteria should be ready in September. By January most of the building will be ready for use. A dream come true!

Building a New Chaminade









The 1951 Eagle

The building of a new Chaminade is a labor of love, a top priority for all of the faculty, students, parents, alumni and friends who make up the Chaminade family. In the pages of the 1951 EAGLE we hope to capture some of the phases of this building project and to pay tribute to all those who are combining their efforts, generosity and enthusiasm to bring the new building to completion.

We, the Graduates of 1951, Dedicate Our Yearbook

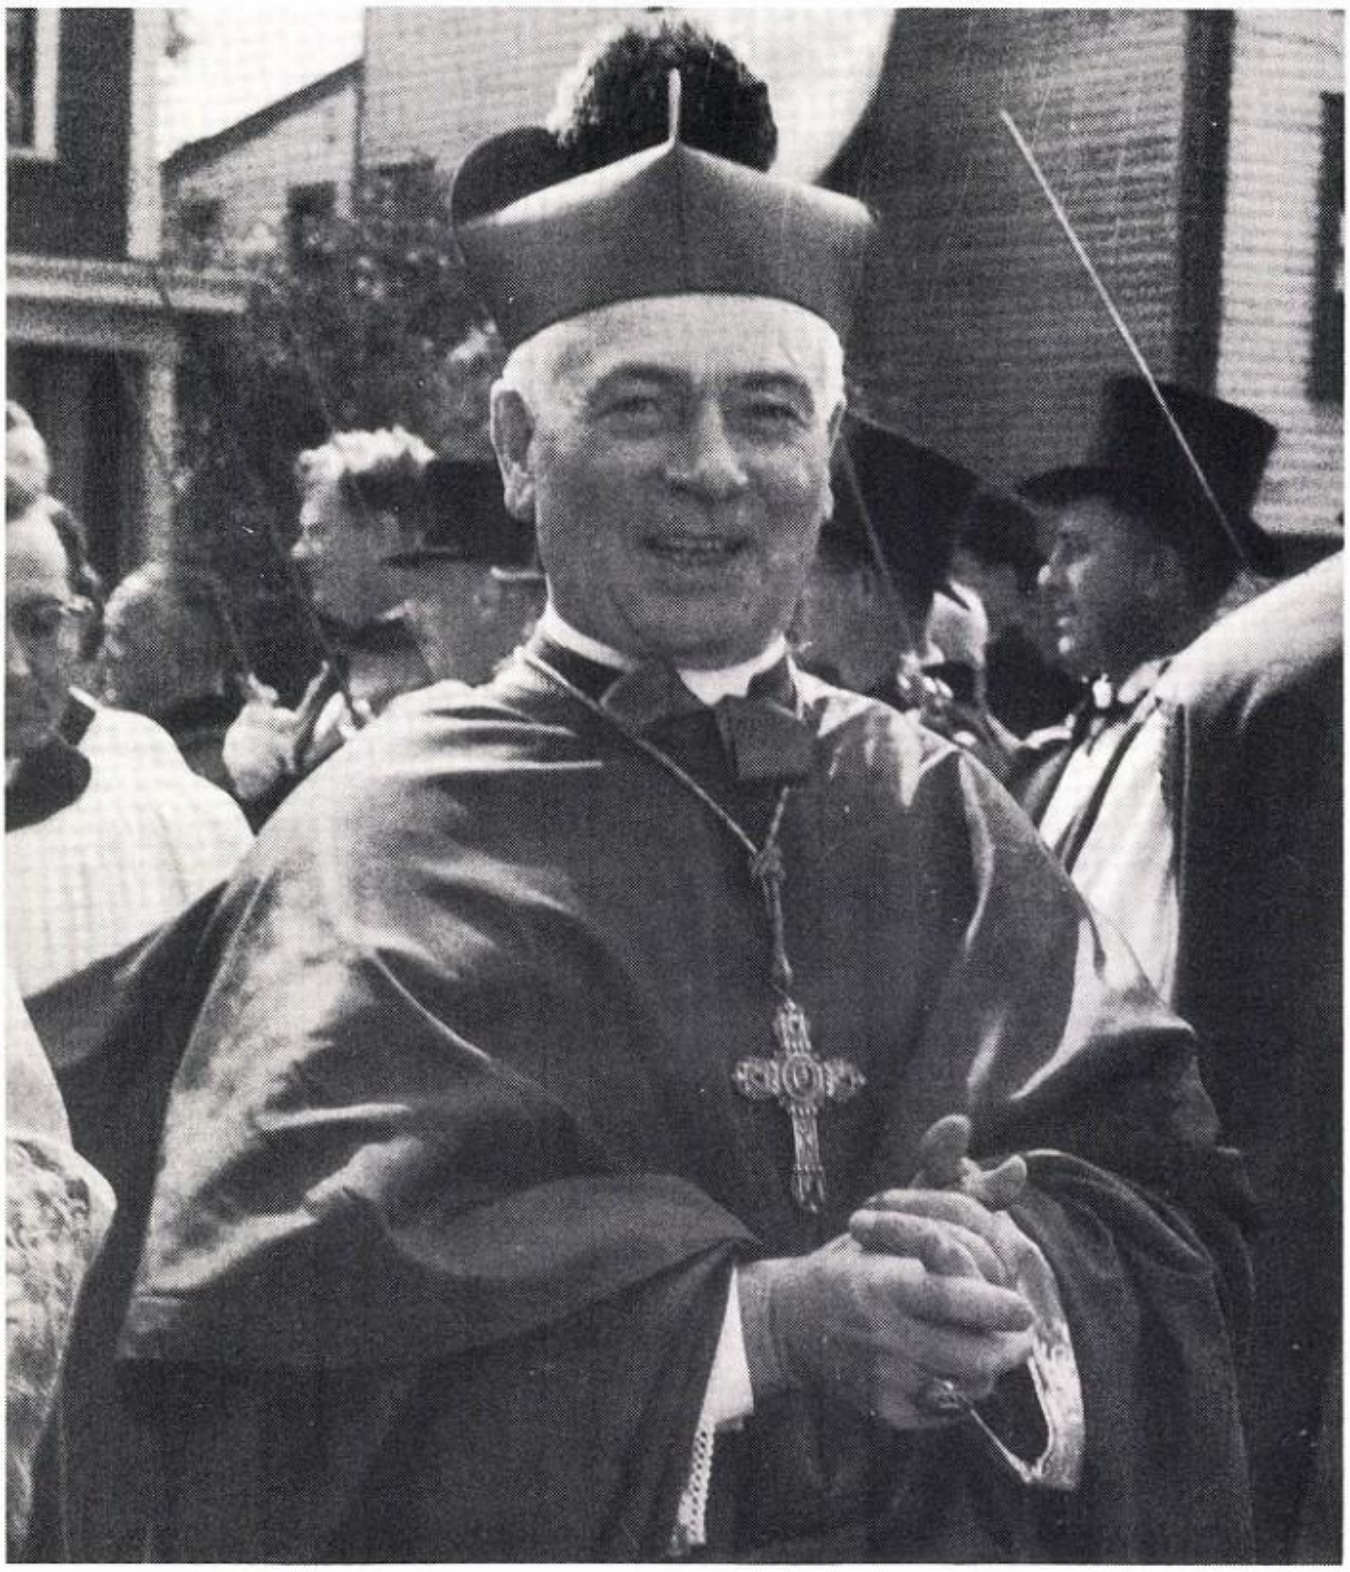
Our Archbishop



Most Rev. Karl J. Alter

Archbishop of Cincinnati

The cooperation of our Most Reverend Archbishop is a most heartening sign of his interest in the new Chaminade. We welcome him to the Archdiocese of Cincinnati, promise him our cooperation, and offer an earnest prayer for the success of his work in behalf of the faithful of the Archdiocese.

Is My Name On the Eagle Board?

Selling turkey raffle cards; collecting sales tax stamps; gathering paper, magazines and metal; chancing off an automobile in the band raffle; and working in every way possible, the students of Chaminade have proven without a doubt that they want a new Chaminade. Energeticalty they strive for and proudly they accept their Eagle cards and pins, tokens acknowledging their work.

THE MOTHERS' CLUB: A MOTHER'S GUIDANCE . . . A STUDENT'S CO-OPERATION

Four personable, yet persistent mothers sparked the Mothers' Club during their annual activities, highlighted by the yearly pillow case bingo with proceeds going to our building and the spiritual retreat at Friarhurst in late May. President was Mrs. Freda Meyring, vice-president was Mrs. Paul Thesing, secretary was Mrs. Edwin Doerfler, and treasurer was Mrs. Hugh Fitzpatrick.

ALUMNI ASSOCIATION

Thomas McLaughlin, '33, served as president of the Alumni during the past year, assisted by Bob Butler, '38, Dick Bucher, '34, and Don Wehner. The grads sponsored the building fund, held the annual Homecoming and Spring Stag celebrations, and provided scholarships for worthy students. Bro. Sheehy acted as moderator.

Band Club Officers

Mrs. Butz, Mr. Heck, Mrs. Lynch.

THE FATHERS' CLUB: A FATHER'S JOB . . . THE STUDENT'S SUCCESS

Under President Joe Eilerman's capable leadership, the Fathers' Club organized two piscatorial picnics (fish frys) to better social relations among the fathers and also to sink some sizeable coinage into the building fund. The Club hit the bull's eye by organizing 98% of eligible fathers into the club. Mr. John Russell was the vice-president, Mr. Elmer Horwath was the secretary, and Mr. Adam Walker was the treasurer.

BAND CLUB

One of the powers behind our great band was the Band Club, under the direction of Mr. Carl Heck as President. Assisting officers were Mrs. Joseph Hallan, Vice-President; Mrs. Lauretta Lynch, Secretary; and Mrs. Kurt Butz, Treasurer. Composed of the parents of the band members, the club stimulated interest in the band by encouraging their sons in their musical pursuits, strove for mutual understanding of the problems of the band, and assisted in a financial way by sponsoring the huge band raffle during spring. Their work was invaluable.

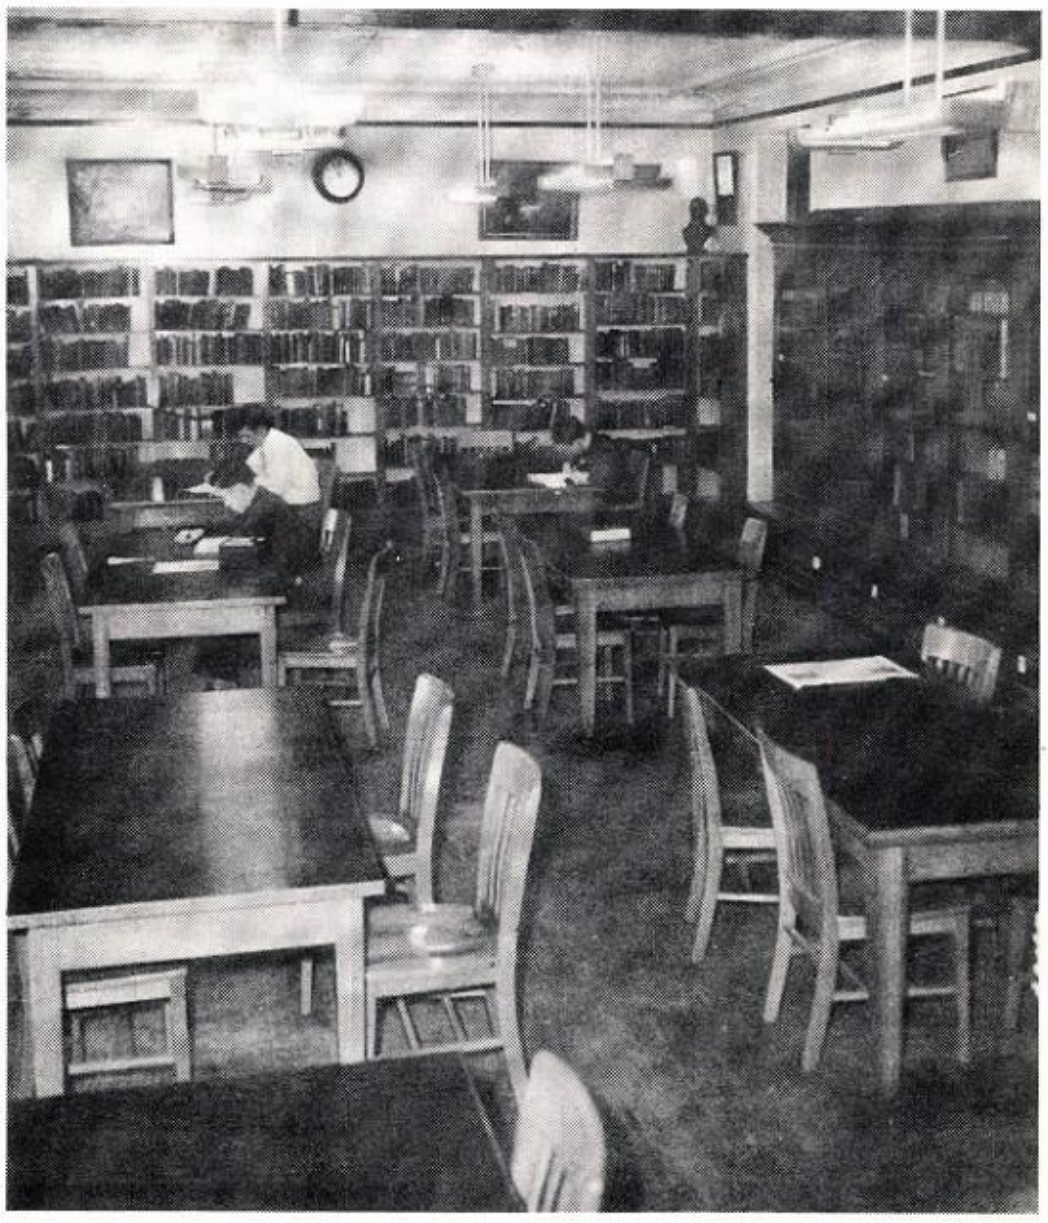
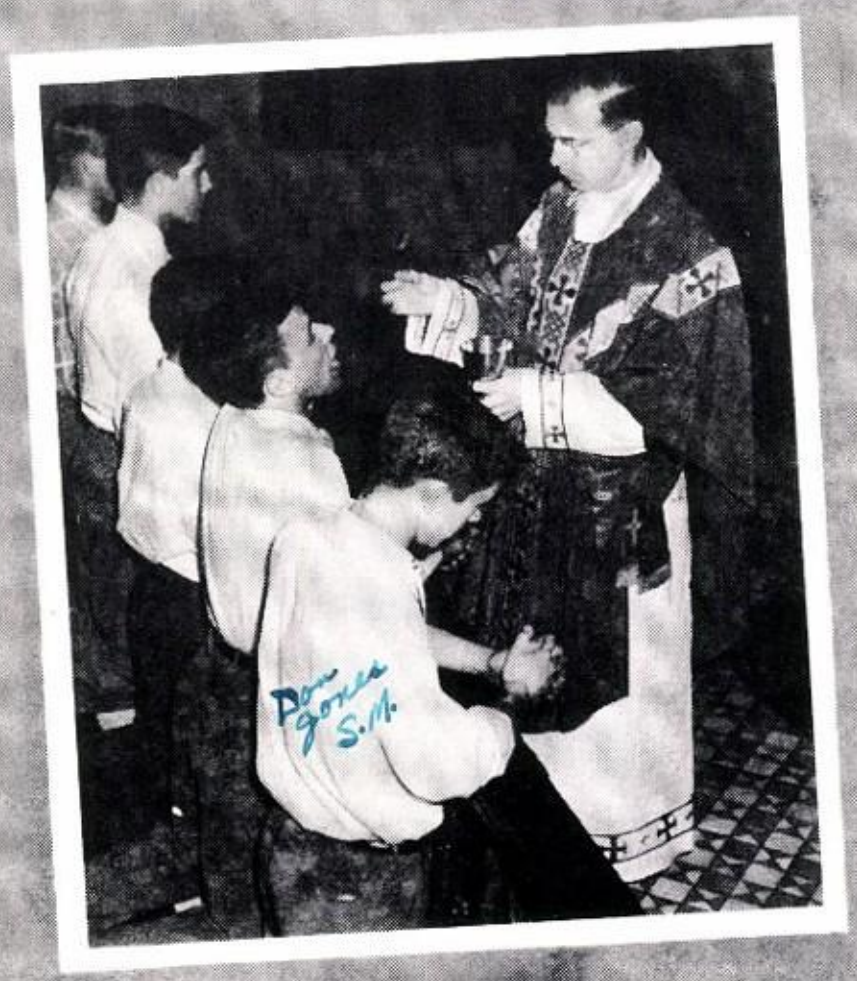
Building the New On the Old

"True to Our Alma Mater"



We are building on the old. As we pay tribute to the builders, we cannot forget that there will be persons, activities, and a spirit at Chaminade which will always be the marks of distinction which make Chaminade what it is. The pages of this yearbook which follow will bring out these unchanging elements which serve as a firm foundation for the new edifice we are building.

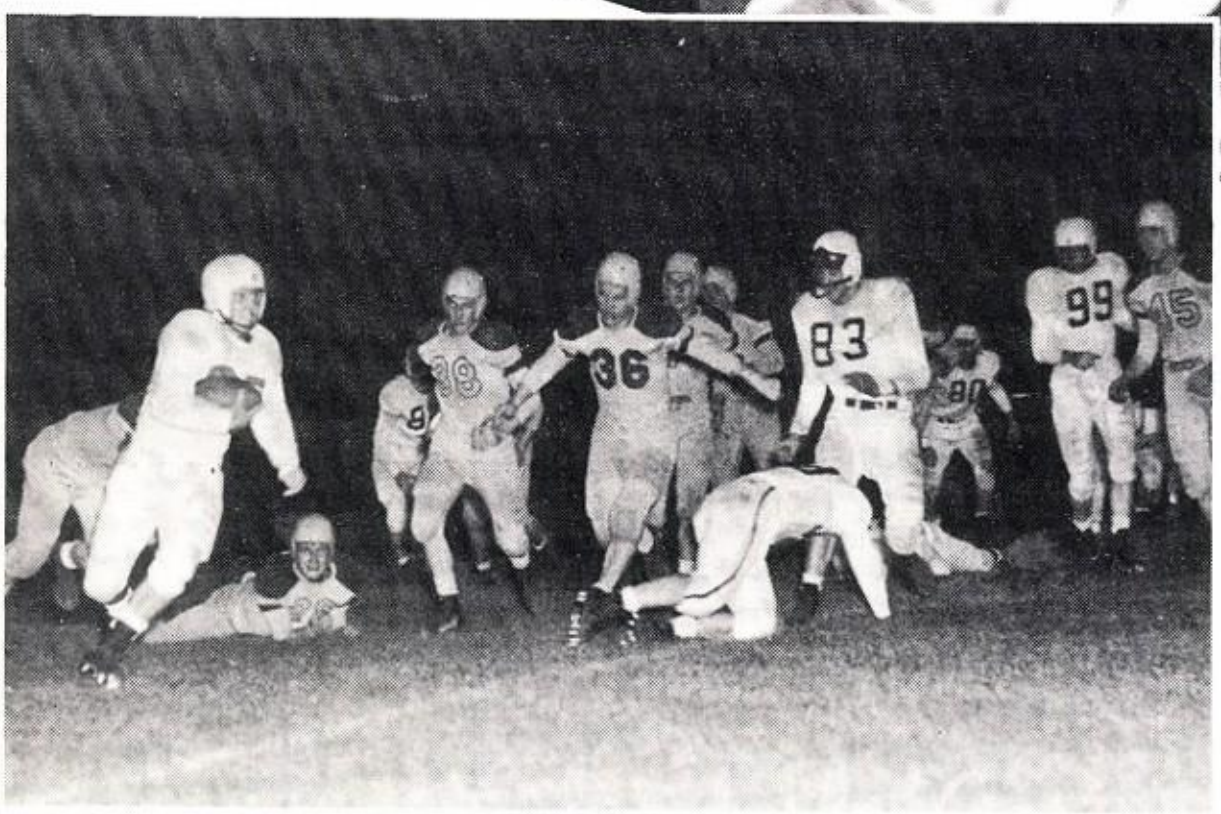
Educating the whole man is the object of Chaminade. Our education would be incomplete and the foundation of our new building would be built on sand if we did not find in Chaminade a deeply religious spirit, ample opportunity to provide for our spiritual needs, or activities in which we can find an outlet for our religious and apostolic zeal.



The Marianists and their associates, who are our teachers, will always serve as an unchanging influence in the education of the men of Chaminade. Their religious spirit, their philosophy of education, their zeal for the salvation of souls, and their deep interest in Chaminade are a firm foundation for the edifice we are building.

"Men of Chaminade!" Always there will be men of Chaminade, providing that firm foundation for the edifice we are building as only spirited students can do. Always there will be men of Chaminade who will sing, and mean it as they do, " . . . true to our Alma Mater, Chaminade."

Experience in school life activities is a must for Chaminade. These activities will always be there, providing opportunities without number for the EAGLES to round out and complete their education at Chaminade.



Champion sportsmen are characteristic of Chaminade. That characteristic will remain as a firm foundation for the edifice we are building just as long as there are EAGLES to don the green and white and represent Chaminade in all fields of athletic endeavor.

Firm Foundation for the New

Faculty and Religious Activities

Building a New Chaminade

An underlying religious spirit and a characteristic Marian zeal mark the work of the faculty here at Chaminade. These traits serve well as a firm foundation for the new Chaminade which is rising up because of the labors and contagious enthusiasm of the Priests, Brothers and laymen who make up our faculty.

DAYTON 2, OHIO

May 31, 1951

Dear Graduates,

In the designs of Divine Providence your graduation from high school is coincidental with our construction of the new Chaminade. You have united with your parents, with the friends of the school, with your fellow students in helping to build this monument to God and Our Blessed Mother. This effort on your part carries a profound significance.

Men and nations made their impress on world history, not by war and conquest, but by their contribution to civilization. Foremost among these contributions were those structures of ancient, medieval, and modern times. From the pyramids and obelisks of the Egyptians, to Solomon's Temple, to the Age of Pericles and the Rome of Caesar Augustus down through the centuries to the classical courts and towers of the feudal period, the castles and impressive cathedrals of the Middle Ages to our modern skyscrapers, we have the evolution of civilization. And the inspiration for the greatest and noblest achievements was a spiritual one, an attempt on the part of humanity to honor and worship the Divinity.

There is a parallel in your own spiritual life. Your parents, the priests of your parish, your fellow students, your teachers...all have given you the materials with which to build your life, your eternal life. You are the architect. Yours is the responsibility of building on the firm foundation of faith...to avoid the insecurity of the sandy soil of expediency. Build well so that the rains and winds of temptations will not prevail. May Jesus, Mary, and Joseph always protect you.

Fr. Dickson Closes Annual Retreat

ANNUAL RETREAT

There comes a time in every man's life . . . and every student's, when he abandons the familiar daily schedule of study . . . work, and play to assume a serious tone of amendment as he objectively "takes stock" of his past and present . . . and more important, of his future. A carefully planned program of Mass, Benediction, conferences, meditation, religious reading, state-of-life sessions . . . all climaxed by Confession and spiritual nourishment in Holy Communion. The seniors have the tradition of conducting their retreat separate from the rest of the school, due to their position in deciding the future. In 1951 we had the privilege of absorbing the substantial philosophy of Father Ferree, S.M., retreat master.

RELIGIOUS opportunities offered AT SCHOOL

William Penn once opined: "Religion is nothing else but love to God and man." Here, within the walls of a thoroughly Catholic institution of learning, every effort undertaken by faculty and students alike is intoned with the word of God as a guide for success. A beckoning red light in the chapel . . . a holy water font . . . the C.S.M.C. efforts to revitalize parish activity . . . plus the example of the S.M. . . . varied and many are the opportunities offered to mature with our faith . . . as we mature in our education.

THE BISHOP THILL CONFERENCE OF THE C.S.M.C.

The three Dayton high schools and seven regional Catholic high schools in the Miami Valley area unite their mission aims in a more extensive manner, with the famed Bishop Thill as their patron. Climaxed by the awe-inspiring May Rally at the U.D. fieldhouse on May 20, 1951 . . . sectional meetings were held periodically in this area at the different member schools—Hamilton, Notre Dame Academy at Hamilton, Piqua Catholic, Minster Public, Holy Angels at Sidney, St. Mary's at Urbana, and St. Brigid at Xenia. Rev. James M. Darby, our chaplain, was an officer in the religious sector of the organization, while William Doerfler ('51) was corresponding secretary, William Sommer of Piqua recording secretary, Ronnie Nigh of Urbana treasurer, Margaret Wilkins of Sidney Vice President, and Bernadette Heider, St. Joseph Commercial, President.

B.V.M. CONSECRATION

Mary, the Mediatrix of All Graces, has been our model and Queen since we first entered Chaminade, and as an exponent of more advanced state of devotion and Catholic Action, the Marianist Sodality was instituted. Four stages preceding the acceptance of the student as a sodalist are self-explanatory in their meaning: The postulancy, aspirant, probationer, and finally, sodalist. Perhaps the wording of the membership pledge can more adequately convey the high esteem rendered the Sodality by Chaminade students.

". . . I, servant of God and child of the Catholic, Apostolic Roman Church, give and dedicate myself to the honor of the Immaculate Conception of the most Blessed Virgin Mary. I promise to honor her and, as much as depends upon me, to cause her to be honored by others as the Mother of Youth . . ."

One of the greatest thrills and achievements of our high school career was the grand finale consecration ceremony on May 1, 1951 in Emanuel Church.

C.S.M.C.: PARISH ACTION KEYNOTES CHAMINADE GROUPS

Because it completely unites the student with the lay apostleship he should actively participate in as a young Crusader . . . because he is better acquainted with the people, the problems, and the activities of his home parish . . . because it is considerably easier to work with fellow students you have known for years . . . Chaminade's C.S.M.C. has been reorganized and focused upon the parish divisional system, which has proved most successful. On a quantitive point-for-point basis, it not only observes and judges, but it ACTS!! Chapel visits, parish communions, spiritual rallies, daily rosary, confession, regional meetings . . . all are activated with utmost planning and efficiency at Chaminade. The pastor—faculty—student all work for Christ's cause in a smoothly functioning organization.

"SERVERS"

Assisting the religious faculty at all church functions, such as solemn high mass, solemn benediction, and stations of the Cross, these white-clothed students donated their time to retreat services, Chaminade Day celebration, and that famed Lenten Daily Mass Project. These men of Chaminade pictured here are truly "Christ-bearers."

SODALITY CONVENTION AT PITTSBURGH

The end of November saw 14 representatives from our parish CSMC groups attend the first annual Sodality Convention in Pittsburgh. These sophs, juniors, and seniors, under the guidance of Brothers Blank and Ruppel, drew much profit from the meetings, in which the role of the modern sodalists was discussed by representatives from different Marianist schools.

Building a New Chaminade

The new edifice on the corner of Washington and Ludlow will long stand as a tribute to the men of Chaminade who have labored, are now laboring and will continue to labor for its completion. The spirit of the student body is another of the unchanging elements which will serve as a firm foundation for the new.

Class of 1951

SENIORS of 1951! We were portraying this exciting role in the last act of four years of Catholic education . . . studying, working, playing, praying . . . boys who suddenly found themselves becoming men . . . tho' it was the role that demanded more skill, more courage and strength, we had to combat any opposition with the good old "Chaminade spirit" that makes citizens of the future. But as young Christian men, we possessed a weapon more secure and constant and strong than physical strength—prayer!

We had played to a "full house" in the first, second, and third acts of our high school career. Now the last act . . . parties, drives, games, dates, chapel services, tests, diplomas! Then the world beheld us . . . *Graduates*, 1951!

SENIOR DIARY

1947-1948

As eager greenhorns, we tackle one of the major projects of our life. We met new friends and experienced teachers, receive our initiation, witness a City Champ gridiron crown. The Holy Name parade, the Rosary Night, frosh retreat, oratorical contests, bowling teams, and newspaper staffs . . . out of this unsteady, but growing foundation, we pitched into our higher education with vim and vigor so that the "whole man" might evolve out of this embryo of . . . entrance, excitement, energy!

1948-1949

As voice-changing sophomores we rotated on a variegated carousel with relentless intensity . . . and shared the making of a dream! We placed in the semester honor ratings, joined the Chi-Rho Lamba which fostered "Christian recreation," joined in a first . . . the annual Band Concert, and applied elbow grease to any drive that challenged our initiative. A fighting football eleven found itself on another summit it had scaled so perseveringly . . . and we suddenly found ourselves in the process of growing up and noticing the fair beauties of the city! Carefree, fun-loving, yet ambitious and hard-working. We were "in" . . . at last this wonderful thing called Chaminade took another meaning!

1949-1950

The eyes of Dayton . . . students, businessmen, parents, faculty . . . all focused on the awe-inspiring decision which thousands of boys had awaited . . . a new Chaminade!
Construction dance, variety show, drives, contests, and paper collections paved the way to the actuality we witness at the ground-breaking ceremony. The CSMC inaugurates a parish divisional set-up . . . the prom committee staged a glittering "au revoir" for the seniors . . . tennis and ukulele fever were the rages. The winning building fund slogan wrapped up our goal in one neat package: "A Dream Come True . . . If Everyone Comes Through."

1950-1951

This is it—the senior year we will never experience again . . . those maturing, proud, happy moments gauged by a crystal ball which, though clouded by global conflicts, displayed a challenge for Mary's men to meet. Let's appreciate then all the values and spiritual ideals that Chaminade has given us . . . and begin life imbued with more than diplomas and memories! For we have a world to convert, and Christ and Mary to guide us! It's a big job, but as Chaminade graduates we are fully equipped to meet it fearlessly!

It's a Rough Campaign, Gentlemen

Though not the most studious of classes, 2B showed lots of pep in many ways. Led by Joe Mazzotta, Gale Fella, Ron Kraus, and Dave Suhr as officers, Soph B had many boys in the C.S.M.C. and on the varsity and reserve football teams. Band members included Jerry Reiger, Don Harris, Joe Bakan, and Phil Doolin. The Booster Club claimed Jim O'Neil while the Glee Club saw the services of Jim Mackey and Don Palmer. Burke, Gibbons, Hunter, and Bakan led the way by placing on the honor roll consistently. Second in the Marianist Drive, this class, under the guidance of Bro. Louis Hettich, is best classified as a "trying" class.

Sophomore C Builders

Bro. Joe Trageser's lads were captained by Jim Smith, who also received the Citizenship award given to the outstanding soph. Tom Coleman, Jack Schmitz, and Don Miller rounded out the panel of officers. Coleman and Drescher made the honor roll regularly. Bob Blommel showed off his talents on the gridiron and the hardwood court while Schmitz, Eisele, Steger, and Schubert devoted much time to the fine art of music making in our band. Bob Ulrich reached the amazing total of $508 for the building fund! Reaching at least 100% in all school drives, these sophs set a new record in the band drive with the total of 518%! Building a New Chaminade

The work of the Eagles in all fields of extra-curricular endeavors is another in the long list of the stabilizing influences which mark the building of a new Chaminade. From them come the fullness of experience and the completeness of education.

Booster Club

Second Row: R. Walker, D. Ferdelman, J. Kincade, D. Luther
First Row: J. Hartfelder, P. O'Bryan, R. Weizman

One of the school's most vital organisms for concrete support of all C.H.S. activities, the *Booster Club*, piloted by Bro. John Blank, worked harder, steadier, and longer than ever before as the members extended their sphere of activity from painting rally signs and selling football programs to other areas of school life. The spiritual reminders in the hallways, the notices for P.T.A. and the building fund, and the difficult task as stage crew for the Band Concert all served to fill out an already busy year. Peter O'Bryan led this group, assisted by Richard Walker, Melvin Kuhbander, and Keith Davidson.

"MUSIC MAESTRO PLEASE!"

Truly the most remarkable evolution in Chaminade's history is the Band, which has scaled the ladder of success to become the top school band of Dayton today. Our music men performed at the football contests, public parades, rally performances, Christmas and Spring Concerts, P.T.A. meetings, the Holy Name Rally, the CSMC Rally in May, and at the installation of Msgr. Ansbury.

At the Band's Spring Concert, the audience were thrilled with "Light Cavalry Overture," "One Beautiful Day," "Joshua," and a musical fable of Cinderella, "The Glass Slipper."

Departing seniors are Jerry Hauer, Band Captain, Tom Kreusch, Sec.-Treas., George Dellinger, Chester Trzeciak, Jim Dunkman, Dick Zimmer, Chester Damuth, and Larry Glynn.

"GLEE CLUB"

Under the direction of Bro. Joseph Trageser, our Glee Club made appearances at the State Hospital, the N.C.R. Auditorium, and at Wright Field, where they sang the Midnight Mass at Christmas. The climax of the year was the Spring Concert when, among other numbers, special arrangements of "Stout-hearted Men" and "Chaminade Alma Mater" featured their part of the program.

Bookstore Staff

Bro. Bernard Diethorn's book store often saw the faces of G. Wonka, D. Luehrs, and D. Burkhardt, since they were his valuable assistants. Every day we could be assured of prompt and courteous service for our school needs.

Library Staff

Father Robert Brown's library staff is well represented by three star members, John Gehrich, Don Ferdelman, and T. H. Wolf. During the past year, they have served the school through the laborious maintenance of an orderly library.

Fr. Brown, D. Ferdelman, T. Wolf, J. Gehrich

Cafeteria Staff

Serving the school by selling hamburgers, hot dogs, pop, and pies, the cafeteria squad performed a necessary chore. This group, under the direction of Bro. George Mukits, consisted of D. Brant, E. Berger, R. Shuey, L. Carmody, and R. Blommel.

Bowling

Every Sunday evening found the kegler kings of Chaminade rolling that ebony ball down the polished lanes to tenpin goals. The annual Fathers' and Sons' Tournament united the fathers and their boys in a game they both loved to play. The Doubles Tournament climaxed the year's rolling. As a finishing touch to a successful season, the coveted trophies at the Bowling Banquet were awarded to the most consistent scorers. Bro. Landolfi was the bowling teams' affable mentor; the secretaries were Ben Staub for the National League, Charlie Eisele for the American League, and Ed Bany for the Freshman League.

Among the many "behind the scenes" workers we find the capable managers, under the command of Bro. Steve . . . following the team through its long practice, performing the many tasks the impact of which only they themselves realize. These never-tiring workers are always on the job, cleaning uniforms, scrubbing floors, caring for the countless injuries which go with the sport

. . . until . . . at the end of a victorious season they find themselves escorted by tradition and an appreciative team into the happy hunting grounds of all good managers, the cold, wet shower.

Meanwhile the energetic cheerleaders coordinate the overflowing enthusiasm of the countless fans into a resounding tribute to the team's gallant and victorious efforts.

Nothing need be said about the Chaminade basketball team this year, for the record speaks for itself. Recovering from its initial loss to high-powered Toledo Macomber, Chaminade bounced back to a victory streak of 14 games which sent the statisticians searching through their record books. The team progressed from game to game, and even Toledo Central Catholic, who ranked among the first ten in the state, fell before the high-flying Eagles in their prime. Then the walls came tumbling down as happens to many good ball clubs. Roosevelt and Fairview felt the Eagle might, and before the largest crowd ever to witness a high school game in Dayton, defending champ, Dunbar, fell by the wayside. Then the Eagles swooped low. Defeats at the hands of Wilbur Wright and a keyed-up Stivers team took the championship away from the Eagles. Chaminade recovered slowly, defeating Monroe and Oakwood, only to be taken by a sharp-shooting Roosevelt in tournament play. Chaminade was far from ashamed of its performances and placed Jerry Hagan, Babe Perkins, and Don Shumard on the All-City teams.

The youngest sport at Chaminade, tennis, made a distinctive impression on Dayton sports fields, not by its dazzling style, but by its sportsmanship and fair play. The loss of several key men left an unexperienced squad, but under the coaching of Bro. John Blank, the team promised its followers an impressive year when the season returns again.

Don't "Slow Down" on Learning!

Your graduation marks the end of one important period of your life—and the beginning of another. As you press on to the next—college or a job—you'll find that the training you received at Chaminade High School provides one of the "stepping stones" which you need to go forward.

Remarkable progress has been made in the fields of industry, science, medicine, education, and farming, particularly in recent years—but there is still much to be done, and you can be a part of it. Many opportunities lie ahead for you. So don't "slow down" on learning . . . planning . . . working.

Success in a career is a matter of attitude and objective. It will take time, and there'll be delays and detours—but with imagination, initiative and hard work, you can reach your goal.

What the Future Holds

The building project now in progress is just the beginning. We have yet to complete the auditorium. And then . . . our needs will be many. The creators of the 1951 EAGLE hope that this book in some small way has paid tribute to all who are building the new Chaminade and that it has fostered an interest in the project which will last until we can say our needs are satisfied.

Yearbook Producers

It has been an experience creating the 1951 EAGLE! A double class schedule, untold obstacles necessitated by the building project, a curtailment of activities, and an absorbing interest in the works which are building a new Chaminade made it very difficult to undertake and complete a yearbook. Yet, the book is here, and all of the advisers, editors and staff members now sit back, relax, and present to all of you the fruits of their labors.
